

Privacy Policy

This privacy policy sets out how Sagitto uses and protects any information that you give Sagitto when you use this application.

Sagitto is committed to ensuring that your privacy is protected. Should we ask you to provide certain information by which you can be identified when using this application, then you can be assured that it will only be used in accordance with this privacy statement.

This policy is effective from 25 February 2015.

1. What we collect

We may collect the following information:

- your email address
- your name
- the name of your employer
- (optional) contact information, such as telephone numbers, physical and/or postal address
- the IP address of the computer you use to access the service
- the data you enter to make predictions
- the version of the model you use, and the results that it provides to you

2. What we do with the information we gather

We gather this information to understand your needs, improve our products and provide you with a better service. We also may provide a summary of the data you enter to make predictions, and model results, to the party that supplied the data from which the model has been created.

We do this so that the data provider can receive guidance on how best to gather further data for Sagitto to produce more accurate models. Any summary data that we provide to third parties will not reveal your identity, but may reveal the country of your physical or postal address.

3. Security

We are committed to ensuring that your information is secure. In order to prevent unauthorised access or disclosure, we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect online.

4. Links to other websites

Our application may contain links to other websites of interest. However, once you have used these links to leave our application, you should note that we do not have any control over that other website. Therefore, we cannot be responsible for the protection and privacy of any information which you provide whilst visiting such sites and such sites are not governed by this privacy statement. You should exercise caution and look at the privacy statement applicable to the website in question.

5. Controlling your personal information

You may choose to not sign up to use a Sagitto account in order to prevent the collection or use of your personal information.

If you have signed up for an account with us through the application, you can access or change your personal information by signing into your account and editing your profile.

We may retain original and updated information for reasons such as technical constraints, dispute resolution, troubleshooting, record retention, and enforcement of our agreements. For security purposes, we may request information to help verify your identity before granting access or making changes to your information.

6. Contacting Us
