We do not undertake automated individual decision-making
- ▲ **right to data portability** - you may obtain your personal information from us that you have consented to give us or that is necessary to perform a contract with you. We will provide this personal information in a commonly used, machine-readable and interoperable format to enable data portability to another data controller. Where technically feasible, and at your request, we will transmit your personal information directly to another data controller
- ▲ **the right to complain to a supervisory authority** - you can report any concern you have about our privacy practices to your local data protection authority.
